# FACA 2015 Community Action Agency of the Year Award Guidelines

The Community Action Agency of the Year Award was established by the Florida Association for Community Action (FACA), Inc. to recognize and honor achievements by the Community Action Agency (CAA) which fostered the mission of community action through assisting the greatest number of families and individuals to achieve economic independence and self-sufficiency within their communities. This award also recognizes local advocacy efforts, community participation, partnerships and collaborations formed by the agency to assist low-income citizens in their journey to economic security and self-sufficiency as well as the agency's efforts to achieve organizational excellence and represent the best practices within the network.

The Community Action Agency of the Year Award should represent what Community Action is all about: "Helping people and changing lives".
