National Peer to Peer
ROMA Train-the-Trainer Classroom Session (Phase II)
Agenda in Brief

The evening before Day One, Candidates are asked to check in with the Training Team. The Team will be available to answer questions and provide assistance to Candidates at this time.

Day One
8:30 to 5:00

The first day will open with an overview of the history of the NPtP project, a snapshot of current activities, and discussion of the training and certification process.

This day will include a demonstration of the delivery of the National Peer to Peer ROMA Training and Certification Program's *Introduction to ROMA* curriculum by two Master Trainers.

Module 2:   Building Blocks – Mission and
                       Community Assessment
Module 3:   Developing Results Oriented Plans –
                       Outcomes and Strategies
Module 4:   Implementing the Plan
Module 5:   Observing the Achievement of Results
                        Using Outcome Scales/Matrices
Module 6:   Evaluating Performance Using
                        Outcomes and Indicators
Module 7:   Managing Performance with the
                        Logic Model
Module 8:   Financial Dimension of Accountability

We will discuss each module and identify key points for each module.

Day Two
8:30 to 5:00

Day Three
8:30 to 5:00

All candidates will present two modules, each 30 min in length, beginning on the second day. (Note: No one will be scheduled to present two modules in one day.)

There are 8 presentations each on Day Two and Day Three.   Assignments will be sent out as Candidates complete the e-course.

Feed back and helpful suggestions will be provided to candidates to help improve both understanding of concepts and presentations.

Master Trainers/Mentors will be available in the evenings of Day One and Day Two to assist in preparation of presentations and to help plan for practices sessions following the Train-the-Trainer event.
