*“We Are Community Action: Changing Lives through Excellence”*

### FACA 2017 Community Action Agency of the Year Award Guidelines

The Community Action Agency of the Year Award was established by the Association, to recognize and honor achievements by the Community Action Agency (CAA) which fostered the mission of community action through assisting the greatest number of families and individuals to achieve economic independence and self-sufficiency within their communities. This award also recognizes local advocacy efforts, community participation, partnerships and collaborations formed by the agency to assist citizens with low-incomes in their journey to economic security and self-sufficiency as well as the agency's efforts to achieve organizational excellence and represent the best practices within the network.

The Community Action Agency of the Year Award should represent what Community Action is all about: *“Helping people and changing lives”*. Community Action Agencies have been honoring “Achievers” by opening doors and leading the way from poverty to economic independence since 1964. Every CAA has success stories of program participants and with this award the Association seeks to honor those agencies that have turned hope into reality for those citizens with low-incomes.
