Message from Executive Director Faith Pullen

Greetings, members, partners, and friends!

I am amazed that we are more than halfway through 2019! Where has the time gone? The kids are gearing up to start a new year of learning, summer programs for youth are wrapping up, and Community Action is still here meeting needs and doing the “work”. I hope that you will take some much-deserved time to relax and spend time with your families and loved ones. Restoration is necessary for the job at hand.

FACA has a few new items in the works for our new fiscal year! Our staff is growing and we soon will welcome a new project coordinator! We also are recruiting interested participants for a ROMA Implementer training scheduled to take place this fall. Please contact admin@faca.org with questions.

Lastly, I hope you are making plans to attend the Community Action Partnership’s annual conference in Chicago and the SEACAA Annual conference in Myrtle Beach.

Have a great summer!

New Executive Director's Institute

This two-and-half day training (**Oct. 9-11**) is designed to help new executive directors achieve deeper insight into their role, the work of Community Action, and current operating environment of the Community Action Network. The training will be provided by the Community Action Partnership, National Community Action Foundation, and Community Action Program Legal Services, WIPFLi, National Association for State

Community Services Programs, and other industry experts.

Training topics will include Community Action from Past to Present, Advocacy, Balancing Governance and Management, Board Development, Financial Management, Human Resources, Strategic Planning, Resource Development, Performance Management, and more! There will be time for individual consults during the Institute.

This training is appropriate for executive directors who have been in their role for 5 years or less.
